

Israel Worksheet 1B – Home/Homeland: Photography

Name of selected photograph:

Choose one person (subject) in the photograph, and describe him or her. What does his or her clothing, body language, and facial expression relay about what he or she might be thinking and/or feeling?

Who else is in the photograph? What might his or her relationship be to your chosen subject?

What is the setting? Describe the land, foliage, buildings, etc.

What sounds, smells and physical sensations might your subject have experienced at the time this photograph was taken?
